DRAFT

ODISHA DEVELOPMENT AUTHORITIES (PLANNING AND BUILDING STANDARDS) THIRD AMENDMENT RULES, 2025

No.23990-HUD-TP-POLICY-0005/2020/HUD-The following draft of certain rules further to amend the Odisha Development Authorities (Planning and Building Standards) Rules, 2020, which the State Government proposes to make in exercise of powers conferred by Section 123 of the Odisha Development Authority Act, 1982 (Odisha Act 14 of 1982) is hereby published as required by Section 125 of the said Act for information of all persons, likely to be affected thereby and notice is hereby given that the said draft rules will be taken into consideration on or after expiry of a period of 15 days from the date of their publication in the *Odisha Gazette*.

Any objection or suggestion which may be received from any person with respect to the said draft before expiry of the period specified above will be considered by the State Government.

DRAFT RULES

1.Short title, extent and commencement.— (1)These rules may be called the Odisha Development Authorities (Planning and Building Standards) Third Amendment Rules, 2025.

(2) They shall extend to all the "development areas" which are so declared under sub-section (1) of section 3 of the Odisha Development Authorities Act, 1982.

(3) They shall come into force on the date of their publication in the *Odisha Gazette*.

2. In the Odisha Development Authorities (Planning and Building Standards) Rules, 2020 (hereinafter referred to as the said Rules), the rule 27, shall be substituted, namely.—

"27. Uniform Zoning Rules.— (1) In the Development Plan, various Land Use Zones (LUZ) are delineated with their respective boundaries, and such zones shall be regulated in accordance with the provisions contained in Table No. 3A. Any existing zoning regulations applicable to the said Land Use Zones and prescribed under the Zoning Regulations of the respective Development Authorities shall stand superseded from the date of commencement of these amendment rules:

Provided that, where the Development Plan indicates any land use other than that provided in Table No. 3A, the development within such land use zones shall be regulated in accordance with the provisions of the zoning regulations prescribed in the respective Development Plan and regulations.

(2) Except as otherwise provided, no structure or land hereinafter shall be used, and no structure shall be erected, re-erected or altered, unless such use is in conformity with the applicable zoning rules or regulations, as the case may be, and the provisions of these rules.

(3) In cases where a layout plan has been approved and specific land uses have been assigned to various plots therein, such land uses shall be adhered to, unless any such use falls under the prohibited category specified in the applicable zoning rules or regulations, as the case maybe, for the respective Land Use Zone (LUZ).

(4) Without prejudice to any other law for the time being in force, all places of worship, temples, churches, mosques, burial and cremation ground, public utility buildings and industrial buildings as existing on the date of notification for inclusion of the area under the Development Area as notified under Section 3 of the Act, shall be exempted from being treated as non-conforming uses:

Provided that continuance of such uses are not detrimental to the locality as decided by the Authority from time to time for consideration of such cases:

Provided further that, in respect of all non-conforming land uses existing prior to the inclusion of the area within the Development Area, no expansion shall be permitted; and at the time of redevelopment, the zoning rules or regulations, as the case maybe, in force on the date of such application submitted under Section 16 of the Act, shall apply."

3. In the said Rules, after Rule 27, the following rules shall be inserted, namely.—

"27A. Different use of land.— (1) Permission for different uses shall be accorded for principal uses earmarked in the different zones as described in Table No.3A.

(2) Permission for different uses described in column (d) of the Table No.3A shall be accorded on special consideration by the DP and BP Committee and reasons for such consideration shall be recorded in writing and it is further provided that Authority may prescribe terms and conditions including levy of fees and charges for guidance of the committee for consideration of such cases.

(3) The activities specified in column (e) of the said Table shall not be permitted in the areas reserved for particular uses.

(4) The purposes which are not specified in column (c), column (d) and column (e) of the Table No.3A shall be interpreted by the DP and BP committee on basis of such analogous entries in these columns.

(5) Developments may be permitted on recommendation of DP and BP Committee in the open space LUZ if the following conditions are satisfied along with other conditions of these rules, namely:—

(i) the land is a stitiban land and is not a leasehold land;

- (ii) the coverage is not more than 50%;
- (iii) the height is not more than 7.0 meters; and

Provided that if applicant reserves 40% of the area as public open space then the above said restrictions shall not apply:

Provided further that such 40% public open space shall be surrendered by way of free gift to the Authority for development of community space, public park, playground etc.:

Provided also that the Competent Authority shall have the discretion to combine two or more such surrendered plots of land to form one large contiguous plot of land and may also allow exchange of such surrendered plots with other landowners in similar land use zones so as to form a contiguous bigger plot of land for public use after such reservation. In this process, principles followed for the purpose of implementation of Town Planning Scheme shall be taken into consideration.

(6) Mixed use of the building may be permitted in a particular zone on the recommendation of DP and BP committee on a plot size of 500 square meters and above and abutting road of minimum 12 meters width:

Provided that the principal use of the building shall cover not less than $2/3^{\text{rd}}$ of the total floor area and other permitted uses shall not exceed $1/3^{\text{rd}}$ of the total area:

Provided further that for FAR over and above Base FAR, the applicant shall have the option to change the above proportion subject to minimum $1/3^{\text{rd}}$ of built-up area towards principal use.

(7) Subject to the provisions contained in Rule 20 of Odisha Development Authorities (Planning and Building Standards) Rules, 2020, the following provisions

shall be applicable for all constructions in Special Heritage Zone earmarked in the Comprehensive Development Plan, namely:—

- (i) the maximum height of the building shall not exceed 15 meters; and
- (ii) all proposals for development over an area of more than 500 square meter or ten meter height or both shall only be considered on recommendations of the DP and BP committee with representation from the Archaeological Survey of India and the Odisha State Archaeology.

(8) Subdivisional Layouts shall be permitted in Environmentally Sensitive Zone , if the following conditions are satisfied along with other conditions of these rules, namely:—

- (i) the minimum size of the plot shall be more than 2 Ha;
- (ii) the minimum width of approach road as required under ODA (P&BS) Rules, 2020 shall not be less than 12 meters;
- (iii) no relaxation on required width of approach road specified for subdivisional layouts shall be permitted;
- (iv) the proposal for development shall only be considered on recommendation of DP and BP Committee with representatives from Water Resource Department, State Pollution Control Board and Public Health Engineering Department.
- (v) Notwithstanding anything to the contrary to the provisions specified in this rule all other conditions applicable for Subdivisional layout under ODA (P&BS) Rules, 2020 shall be applicable.

(9) Construction of building shall be permitted in Environmentally sensitive Zone, if the following conditions are satisfied along with other conditions of these rules, namely:—

- (i) the minimum size of the plot shall be 4000 square meters;

- (ii) the minimum width of approach road shall be 12 meters;
- (iii) the maximum coverage shall not exceed 40% of the area;
- (iv) the proposal for development shall only be considered on recommendation of DP and BP Committee with representatives from Water Resource Department, State Pollution Control Board and Public Health Engineering Department;
- (v) approval of building plan on a sub-plot within such sub-divisional layout which has been approved as per the provisions prescribed under sub-rule (8) shall be considered as per provisions of ODA (P&BS) Rules, 2020 without the restrictions specified under Clause (i) to (iv) above.
